*Flink Mexican industrial ship*

Contract with Flink Mexicana, S.A. of C.V.

Tultitlán, State of Mexico

Period 2001

Installation of rack for totes and pneumatic pump.

*Industrial building (annex) Kimberly Clark, S.A. of C.V.*

Contract with Copachiza, S.A. of C.V.

San Juan del Río, Querétaro

Period 2001-2002

Sanitary installations of general collectors for rain evacuation.

*Warehouse Mabe Leiser, S.A. of C.V.*  
Contract with Mabe Leiser, S.A. of C.V.  
San Luis Potosi  
Period 1999-2001  
Hydrosanitary facilities, fire protection network,  
feed and return of ice water, compressed air, gas L.P.  
and natural gas.

*Industrial ship of printer Tlahuac.*  
Contract with Abastecedora Lumen, S.A. of C.V.  
Los Olivos, Mexico  
Period 1999  
Plumbing installations.

*Industrial building Querétaro*  
Contract with Copachisa, Chihuahua.z  
Querétaro  
Period 1999  
Hydrosanitary installations, general network of protection against fire.

*Automotive industrial ship Nissan, S.A.*  
Contract with Preoistero Estudios y Inst., S.A. of C.V.  
Aguascalientes  
Period 1997-1998  
Hydraulic, sanitary installations, pumping equipment  
and general network against fire, compressed air  
network, CO2 gas, L.P. gas and natural gas.

*Industrial building Lumen Tlahuac*  
Contract with Inaken, S.A. of C.V.  
Period 1996  
Executive design and hydromechanical installations,  
fire protection network.

*Industrial warehouse CISA I*  
Contract with Inaken, S.A. of C.V.  
Period 1994  
Hydraulic installations of ice water, air, L.P. gas, CO2  
gas and cold water.

*Shelby Williams Furniture Industrial Plant*  
Contract with Inaken, S.A. of C.V.  
Zacatecas  
Period 1993  
Executive project and fire protection network installations for the sprinkler system for iced water, CO2  
gas and compressed air for presses.

*Industrial ship for the extension of heavy tires*  
Contract with Heavy Wheels, S.A. of C.V.  
Period 1993  
Hydraulic installations of condensed steam, empty  
air and diesel.

*Wastewater treatment plant*  
Contract with Environmental Engineering and Ecology, S.A. of C.V.  
Vacacional Aventuras Akumal, Querétaro.  
Period 1992  
Hydraulic and electrical installations.

*Wastewater treatment plant*  
Contract with Environmental Engineering and Ecology, S.A. of C.V.  
Rehabilitation center, Jiutepec, Morelos.  
Period 1992-1993  
Hydraulic and electrical installations.

*Wastewater treatment plant*  
Contract with Environmental Engineering and Ecology, S.A. of C.V.  
Zacatecas  
Period 1992  
Hydraulic and electrical installations.

*Industrial ship Kolmar de México*  
Contract with Prebístico Estudios y Inst., S.A. of C.V.  
Cuautitlán Cuamatla  
Period 1991-1992  
Hydraulic installations, air, vacuum, ice water and  
pump room.

*Industrial Warehouse CISA IV*

Contract with Inaken, S.A. of C.V.

Period 1991-1992

Hydraulic installations of air and vacuum.

*Macuzapana Water Treatment Plant*

Contract with Environmental Engineering and Ecology, S.A. of C.V.

Macuzapana, Tabasco

Period 1988

Hydraulic and electrical installations.

*Centro Financiero Banamex Lomas*

Contract with La República Cía Constructura, S.A. of C.V.

Lomas de Chapultepec

Period 1988-1989

Hydraulic, sanitary installations, fire prevention network, pump room and lift stations in general.

*CISA industrial warehouse*

Contract with Inaken, S.A. of C.V.

Period 1987-1988

Hydraulic, sanitary installations, network against fire, air, vacuum and ice water.

*General Lázaro Cárdenas Refinery in Minatitlán*

Contract with Central Lubrication System Sapi, S.A. of C.V.

Paradise, Tabasco

Period 2014-2015

Installation and commissioning of the thermojet integral lubrication system for the Chicago compressor in the maritime station.

*Expansion Ship Ford Motors Company Hermosillo*

Hermosillo, Sonora.

Period 2015-2016

Network installation against fire, compressed air for the body building.

*Industrial Building Mabe Leiser Celaya, S.A. of C.V.*

Contract with Mabe Leiser, S.A. of C.V.

San Luis Potosi

Period 2000-2001

Plant of refrigerators, hydraulic installation, network against fire, compressed air, vacuum, gas, demineralized water, water cooling, gas.

*Maritima Terminal Dos Bocas*

Contract with Central Lubrication Systems Sapi, S.A. of C.V.

Paradise, Tabasco.

Period 2014

Installation and commissioning of the thermojet integral lubrication system for the Chicago compressor in the maritime station.

*Stamping and Bodywork Plant Ford Motor Company*

Contract with Dearnone Mid West

Hermosillo, Sonora.

Period 2004-2005

Compressed air installations and fire protection system.

*Plant Kimberly Clark, S.A. of C.V.*

Contract with Demek, S.A. of C.V.

Orizaba, Veracruz

Period 1999-2000

Hydrosanitary and electrical installations.

*Bosch Toluca Plant*

Contract with Demek, S.A. of C.V.

Toluca, Edo. from Mexico

Period 1999

Hydrosanitary and electrical installations.

Building Services,  
*Governmental,*  
Hospitals and
